

# SUTERÉN makerspace

Shared space where you can work on your projects or learn something new!

### We provide

- Photo and video editing software
- Printing, lamination and mechanical binding equipment
- 3D printing

### We organize workshops on

- Bookbinding
- Calligraphy and lettering
- 3D print modelling
- Pyrography

### Where is it?

Mariánské náměstí 1, Praha 1

We are here for everyone!

# Registration

Registration is necessary to use the library services in full. Registration is possible at any of the library branches and is valid for all branches.

The annual fee is 80 CZK.  
(free for members under 15 and over 70 years)

EU citizens need a valid identification document issued by an EU country to register. Third-country nationals need a Czech residence permit. If they don't have such a permit, they may either pay a deposit of 1000 CZK or register with a guarantor.

### Don't speak Czech?

If you don't speak Czech, you may use the free of charge services of intercultural workers. They can help you understand the library activities, help you with registration and deal with other necessary steps. You will find the list of intercultural workers and their contact information at the Prague for all website at [www.metropolevsech.eu/en/kontakty/seznam-interkulturnich-pracovniku/](http://www.metropolevsech.eu/en/kontakty/seznam-interkulturnich-pracovniku/).

# Exploring

# Creating

# Get to know our creative centers

# Fun

# Art

# Socialising

# Place

for working  
together

Are you looking for a place where your hobby club, study group, or just you with your language tutor can meet? The library offers free, quiet, and comfortable places where you can work or discuss your thoughts and ideas.
